

Single Source Tube Bending & Machining

Bachhuber's Tube Bending and Machining Partnership. As an all-in-one source for tube bending and machining, Bachhuber Manufacturing utilizes the cell concept creating a low cost combination of people and equipment to manufacture handles, frames, and brackets for your assembly operations. Bachhuber Mfg is eager to work with your Kanban program so you can take advantage of their flexibility and quick changeover.

FEATURES

- ISO9001:2000 certified.
- 98.7% on-time delivery.
- Single source = shorter lead-times.
- Kanban programs accepted encouraged.
- Complete machine shop capabilities: lathes, mills, finishing.
- Full-time engineering staff to help you design for manufacture.
